

This is to certify that the quality control procedures of

Carr Concrete a Division of CXT

362 Waverly Road
Williamstown, WV 26187-9502

were audited during an on-site plant inspection on December 15, 2020 and have met the

Precast Concrete Requirements

stated in the 14th Edition of the NPCA Quality Control Manual for Precast Concrete Plants

Renewal Granted on October 26, 2020

Participation in the NPCA Plant Certification program affirms an ongoing commitment to producing quality precast concrete products to recognized standards of the *American Association of State Highway and Transportation Officials (AASHTO)*, the American Concrete Institute (ACI), the ASTM International (ASTM), the American Welding Society (AWS), the Precast Prestressed Concrete Institute (PCI), and the Concrete Reinforcing Steel Institute (CRSI).

This renewal certificate is valid through December 31, 2021.
